oodrive sign

Quick Start Guide

## Multi-signature

∞drive sign

Sign all your documents in one click

Easily view all your documents and select which ones you'd like to sign.

Sign 6/7 documents

A unique new feature that lets you choose which documents to sign — all from a single signature link!

✓ Centralized access to all your documents
Click any signature link received by email to instantly access all your pending documents.

✓ A clear, organized view
See all available documents at a glance and select the ones you want to sign.

✓ Simplified validation
Instead of signing each document individually, you can sign multiple documents in one go by selecting your signature image and entering your OTP just once.

An improved, user-friendly interface for better readability and smoother navigation.

Un A more intuitive, streamlined process for faster document signing and validation — fully configurable from your settings.
